No Ordinary Journey

10th week in the series "A Life of Passion: The Story of David."

1 Samuel 21:1-15

Are you hungry, hungry-in-your soul hungry? Do you feel defenseless against everything that could go wrong? David, running for his life, needed bread and a weapon. What do we need for our journey?

Discussion Questions:

1. How would you describe the hunger you feel in your soul?
2. How do you think you might go about feeding your soul with Jesus, the bread of life?
3. How would you describe your fears?
4. How do you think you might go about taking the sword of the spirit—appropriating the Gospel, Christ's victory over evil?
