Shaking Things Up

Fourth week in the series "Sent: Living the Mission of the Church"

Acts 3-4

Jesus sends us into the world. As he does so, what do we encounter? On the one hand, we encounter a hurting world. On the other hand, we encounter a skeptical world. Peter encountered the same things, yet he both healed a man in the name of Jesus and spoke of the name of Jesus.

Discussion Questions:

1. What has been your experience with bringing the healing love of Jesus to the world?
2. What has been your experience with speaking of Jesus to the world?
3. Do you feel more drawn to healing in the name of Jesus or speaking of the name of Jesus?
4. In what ways do you think you are bold or not bold? (Note that the early followers of Jesus found it necessary to pray for boldness to speak of Jesus.)
5. How do you think followers of Jesus are perceived in our world, and how do you think we might go about helping to improve that perception for the sake of the Gospel?
