Rescued to Multiply

15th Week in the series *Sent: Living the Mission of the Church*

Acts 12:1-25

King Herod (Agrippa 1) decides to persecute the church to win favor with the Jews. First he executes James (son of Zebedee, brother of John) and then has Peter arrested to do the same. One of the New Testament's greatest rescue plans is put in motion, one that will both save Peter and cause the Gospel to flourish.

Discussion Questions:

1. For what types of things do you usually pray?
2. Is praying with other believers something you feel compelled to do?
Why or why not?
3. When and how has God rescued you?
4. How might your rescue story be good news for others?
5. Does anything keep you from sharing your rescue stories with others?
