Pastor: Paul Taylor

Finding the Path

20th Week in the series *Sent: Living the Mission of the Church*

Acts 16: 11-40

Having settled the question of the Gentiles at the Jerusalem Council, Paul formulates a plan to revisit the churches planted on his first journey and embarks on what will be called the Second Missionary Journey. But as the trip begins, he faces questions of who to take, how to prepare, and where to go. Watching him make those decisions helps us as we try to discern how God is sending us in our lives.

Discussion Questions:

1. How have you seen God connect you with other people so that you can be sent in partnership? How are you still waiting for this to happen?
2. In what ways has God prepared you?
3. Are you afraid of being misunderstood? Why?
4. Have you ever been certain God isn't sending you somewhere? Did that help the process of finding out where you might be sent?
5. What direction are you still waiting to receive?
