

For the week of June 18, 2017
Pastor: Paul Taylor

This Time Tomorrow

First week in the series: *Kingdom Work*

Genesis 2-3

As we introduce our summer series, Kingdom Work, we will be exploring the purpose for the creation of humanity in Genesis 2. We'll discover how the ways that we spend our time and energy are connected to the needs that God created us to meet. But we'll also find out why everything we do is so difficult and how following Jesus changes everything.

Discussion Questions:

1. Have you ever felt like you've found the perfect fit for a job or education program or role in life?
2. In your life, how have the callings to contribute to the world and relate to people been combined?
3. What are some of the frustrations and disappointments that you've felt with your vocation?
4. How does your vocation - or the way you spend most of your time - participate in the redemptive work of Jesus in the world?
5. How could that be more true for you?
