# Jacob's Start-Up

Eleventh week in the series: *Kingdom Work*

Genesis 30:29-30

Jacob worked for an exploitative tyrant and with backbiting coworkers, yet God was at work in Jacob's work, and somehow he flourished. Spiritually, he came to life. Can we also come to life?

## Discussion Questions:

1. If you are working, how have you gone about – or how might you go about – blessing your employer?
2. What have you learned in your vocation that has been helpful to you?
3. How do you respond to this statement: "Oppressive work conditions can lead us to take risks that never would have occurred to us otherwise"?
4. How do you respond to this quote: "*As incomes go up, steeples come down*"?
