Final week in the series: *Knowing the God of Justice and Hope*

Ezekiel 47:1-12

In our last message from Ezekiel, we see a surprising vision of water coming out of the new temple God will bring about. This water doesn't behave the way normal water does. As we hear of this vision, we will think again about how different life is in the kingdom of God. Where this world has limits and pain, the kingdom of God is one of abundance and healing.

Discussion Questions:

1. How do you have a scarcity mindset? What in your life is there not enough of?
2. How do you have a pollution mindset? Are you afraid of suffering or sin overcoming good in your life?
3. How do you need to receive freedom from Jesus? Where in your life do you feel trapped?
4. How can you give freedom to others?
