

For the week of April 22, 2018
Preacher: Paul Taylor

Stand As One

Third week in the series: *Tenacious Together*

Philippians 1:27-2:4

As we continue in Philippians, we see the apostle Paul articulating the major theme of the book. His desire is to see this young church grow in their faithfulness to the cause of the Gospel and their unity with each other. As we examine those themes, we'll consider how we can grow in those areas as well.

Discussion Questions:

1. What does it mean for you to "be a good citizen of the kingdom of heaven?"
2. How do we not just believe in the gospel, but participate in the cause of the gospel?
3. What kind of persecution do we experience for following Jesus?
4. What does faithfulness look like in the face of our persecution?
5. How have you experienced unity with other believers who think differently from you?
