# Imitating the Impossible

Fourth week in the series: *Tenacious Together*

**Philippians 2:5-11**

This morning we explore the majestic Christ hymn of Philippians. This passage contains some of the richest theology about Jesus in the New Testament. We will be invited into the fathoming the mystery of Christ. But we cannot lose sight of the purpose for this passage. The mystery of Christ is given as an inspiration to transform our relationships within the church by teaching us humility. Let's allow Christ to teach us to be humble.

## **Discussion Questions:**

1. How have you seen the way you think transform the way you act?
2. What difference would it make if Jesus weren't fully human?
3. What is something about your identity that you have a hard time letting go of?
4. What kinds of people are you tempted to feel superior to?
5. What makes it hard to obey Jesus in your relationships with other people?
