Preacher: Paul Taylor

Kingdom Companions

Sixth week in the series: *Tenacious Together*

Philippians 2:19-24

In this section, we read of two men, Timothy and Epaphroditus, who were close companions of Paul. Each of them has their own story of how they partnered in the mission of the Gospel. Reflecting on their lives will lead us to consider the specific people whom God has put into our own lives.

Discussion Questions:

1. Describe someone you have known for a while whom you might describe as a "partner in ministry."
2. Share about someone whom you have recently met who has demonstrated unique passion for serving the gospel.
3. What is a practical way that you can deepen one or both of those relationships?
4. What does it mean to be "kingdom-minded" as opposed to simply concerned about your own life or even your church?
5. What are some steps that you can take to expand your vision and become more kingdom minded?
