

For the week of July 8, 2018
Preacher: Andy Burnham

Drunkenness and Other Dangers

Third week in the series: *Choose Wisely*

Proverbs 23:29-35

The Bible strongly and repeatedly warns against drunkenness. In today's passage, we will see why. We will see the impact that excessive alcohol can have, especially as it increasingly comes to control a person's life.

Discussion Questions:

1. Why do you think alcoholism and drug addiction are currently on the rise in the United States?
2. Are you optimistic or pessimistic about this trend changing in the near future? Why?
3. Given the description of drunkenness in Proverbs 23:29-35, why do you think it is so difficult for alcoholics to stop drinking?
4. Do you agree or disagree with the following statement: "Alcoholism and drug addiction are symptomatic of a deeper spiritual problem." Explain.
5. What are two or three things you would say to a person struggling with alcohol, drugs, or some other addiction?
