Preacher: Paul Taylor

Choosing Life in a Sex Addicted Culture

Fourth week in the series: *Choose Wisely*

Proverbs 5:1-20

In Proverbs, a father gives advice to his son about life. Much of the book deals with sexuality. Chapter 5 gives some warnings and promises about how to find real sexual fulfillment in a culture of confusing messages. These words can help us to find our way in our own confusing culture as well.

Discussion Questions:

1. What are some of the most prominent sexual lies in our culture? What lies are you most tempted to believe?
2. What are some examples of people who chose paths of sexual choices which didn't lead to a good place?
3. Why is it so difficult to make good choices in the moment even when we know they aren't healthy for us?
4. What makes it difficult to find sexual fulfillment in marriage?
5. How does Jesus as the way, truth, and life give us a path forward with our sexuality?
