Whom Do You Fear?

Tenth week in the series: *Choose Wisely*

Proverbs 1:7

Proverbs speaks repeatedly about the "fear of the LORD." But we're also told in other places of Scripture "fear not." How do we make sense of this? What does fearing God really look like? What prevents from having an appropriate fear of God? What happens when we cultivate that in our lives? We'll rediscover the fear of the God and see our spiritual lives transformed.

Discussion Questions:

1. What are you afraid of? Be honest.
2. What does "fear of the LORD" mean to you? Share how you have it in your life.
3. Do you tend more toward being entitled toward God? Or being terrified of Him?
4. How could a healthy fear of God transform your life?
