Preacher: Paul Taylor

Abandoned Love

Third week in the series: *Wake Up*

Revelation 2:1-7

Revelation includes seven letters from Jesus to the seven churches. In the first letter, Jesus applauds much of their effort, but offers a sharp criticism. They are in danger of losing their very essence of a church because they have abandoned love. Is that true for us? Have we abandoned love?

Discussion Questions:

1. How is your faith different because of where you live? What is our unique calling as Christians in the Bay Area?
2. Which of the affirmations in verse 2 and 3 are also true for us?
3. Have we abandoned our love? Are we in danger of losing our essence as a church?
4. How can we remember, repent, and do?
5. What specific action can you take in response to this message?
