Sixth week in the series: *Wake Up*

Revelation 2:18-29

Resisting false teaching consists not least in savoring what we have and anticipating what we'll get. So, what do we have, and what will we get?

## Discussion Questions:

1. What's your response to the depiction in this text and in the rest of the Scriptures of Jesus as judge?
2. Jesus criticizes the church in Thyatira for tolerating a false teacher and her teaching. Do you think there are ways that the church today tolerates false teachers and false teaching when it should take action against such? If so, what form does the false teaching take?
3. How do you think you might go about savoring what you have in Jesus?
4. How do you think you might go about anticipating what you will receive in Jesus when he comes for the final time?
