

For the week of November 18, 2018

Preacher: Paul Taylor

The Center of Power

Tenth week in the series: *Wake Up*

Revelation 4

After the letters to the seven churches, the book of Revelation transitions into the rest of the prophetic visions John received. This begins when the prophet is invited into the center of cosmic power: the throne room of God. We'll follow John as he visits, look around, and listen to all that goes on in this remarkable room.

Discussion Questions:

1. What are you trying to "figure out" in your life right now? How could you simply invite God into the situation rather than trying to understand it?
2. What emotions does the visual description of the throne room evoke in you?
3. How does the simple fact of God's eternal existence make him unique and holy?
4. Why is God worthy to be praised because of his gift of creation?
5. How does this visit to the throne room change your view of God?
