Preacher: Paul Taylor

Remember Your Calling

15th week in the series: *Wake Up*

Revelation 10

As an interlude during the sounding of the seven trumpets, the apostle John is given a reminder of his calling. We see the mercy of God and his promise to accomplish his plans in the world. We are reminded of our own calling and encouraged that God will empower us to fulfill it.

Discussion Questions:

1. What makes it hard for you to remember the grace of God?
2. What helps you to remember the simple message of God's grace?
3. Regarding what in your own life do you find yourself asking "how long"?
4. What challenges do you face in telling the world about Jesus?
5. How does God empower you to fulfill your calling as a witness?
