Preacher: Scott Grant

A Place in the Wilderness

17th week in the series: *Wake Up*

Revelation 12

Is there a place for us in this world? We need a place, because we see in Revelation 12 that we're in the middle of a war between good and evil.

Discussion Questions:

1. How do you think "the wilderness" is an apt metaphor for this world—i.e., in what ways do you think this world is a spiritual wilderness?
2. Satan is called a "deceiver" and an "accuser." In what ways do you think he deceives and accuses? How do you think you may be vulnerable to being deceived and accused?
3. How do you think we can defend ourselves against the schemes of Satan: his deception and accusations?
4. How do you think God may have prepared a place for you to be spiritually nourished and brought to that place?
