Too Awkward?

First week in the series: *Bridges and Barriers*

John 4

Our own fears are often the biggest barriers we face in sharing our faith, which is understandable, we don't want to feel rejected or create an awkward situation. However, when we realize what's at stake, the benefit outweighs the fear. This week, we'll take a look at John chapter 4 where we'll see Jesus not only break through social and cultural barriers, but also see his willingness to step into the uncomfortable.

Discussion Questions:

1. What barriers or resistance does Jesus face before and during his interaction with the Samaritan woman?
2. Of these barriers, can you relate to any?
3. What resistance or fear might the Samaritan woman have faced in going back to town?
