Preacher: Scott Grant

# The Prostitute and the Beast

21st week in the series: *Wake Up*

Revelation 17

Earthly money and earthly power have their proper place, but often they overreach: money becomes a prostitute and power becomes a beast. Revelation 17 helps us to have a proper posture toward both money and power, showing us that there are greater riches and a greater power.

## Discussion Questions:

1. How would you characterize your attitude toward earthly riches?
2. Describe for you the meaning of the spiritual riches you have in Christ.
3. How would you characterize your attitude toward earthly power?
4. Describe for you the meaning of power of God that is available to you in Christ.
5. What does it mean to you that Jesus is “Lord of lords and King of kings”?
6. What does it mean to you that all the words of God will be “fulfilled”?
