## *Easter Message*

Are you looking for something to celebrate today? If there's anything that's worth celebrating, it's the resurrection of Jesus Christ. If there's ever a day in the year that calls for celebration, it's Easter Sunday.

### **Discussion Questions:**

1. Put into words how you have reacted to the coronavirus.
  
2. How have you experienced the presence of God, and what does the presence of God in your life mean to you?
  
3. How are you influenced these biblical promises?
  - a. We who follow Jesus will receive new, imperishable bodies, somewhat similar to the ones we have now but completely suited to the new and eternal age.
  
  - b. There will be a new creation, which will be similar to this creation, so that it's something to look forward to, but will be better, so it's really something to look forward to.
  
  - c. In the new creation with new bodies, believers will serve God gladly and freely and spontaneously, fulfilling his purposes in the new creation.
