# No Condemnation

*First week in the series: Bound For Glory*

**Romans 8:1-11**

If you're a believer in Christ, do you feel that no matter how well you're doing, whatever it is that you're doing, that you're not doing well enough? If so, you're not alone. We all need Romans 8:1-11.

## **Discussion Questions:**

1. What issues have you encountered with feelings of guilt?
2. Read Romans 8:1. How does it impact you?
3. Romans 8:1-4 tells us that there is no condemnation for believers in Christ because God has already condemned sin in the flesh of his Son and because he has given his people life, - relationship with him -through the Holy Spirit. Consider the implications for life of these truths.
4. The Holy Spirit, as depicted in Romans 8:1-11, gives us life in the present and hope for the future. If you believe that you have experienced the Spirit's work giving you:
  - a. Life in the present.
  - b. Hope for the future.
